But the boon is to be applied solely in calculating the length of service of any man as a Soldier, and is not to be reckoned towards the completion of fixed periods for promotion in Departments or for enhancement of retiring Pensions, or towards Good Conduct Pay, or

claim to Gratuity and Medal, or any other advantage for the obtainment of which actual service is necessary.

Illustration.—Warrant Officers of Departments are admitted to Retiring Pension after the under-mentioned periods of service, viz :—

27	Years effective	12	Years as Warrant Officer.

22	dis including	17	

A Warrant Officer who has served twenty-five years in the Army, and, twelve in a Department, may claim the Pension, because the boon gives him the two years deficient in his Army service, but a Warrant Officer who has served twenty seven years in the Army, and ten years in a Department, cannot claim the Pension, by adding the boon to the latter, because the addition of the boon of two years is not applicable to service in a Department, but in the Army exclusively.

NOTICE is hereby given, that on Monday, the 9th January 1860, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms at Calcutta, and sold by Public Auction, for exportation by Sea, the under-mentioned quantity of Opium, the Provision of 1858-59, subject to the following conditions, viz. :—

Produce of Behar Agency	...	Chests	1,270
Ditto of Benares ditto	...	"	510

Total Chests ... 1,780

Conditions of Sale.

1. The Opium will be sold for exportation by Sea only, and no Certificate will be granted, except to cover such export.

2. The Opium will be ordinarily offered for sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12 of the Conditions of Sale.

3. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertised for sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of, or if the quantity of 1,780 Chests shall not be sold on the day advertised, the Board may dispose of the lots which remain on hand at a future Sale.

4. Each lot to contain Five Chests.

5. A deposit in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1,000 at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Saturday, the 14th January, or on the other hand failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such Conditions of re-sale as the Board of Revenue shall see fit, and all losses and expenses, whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 14th January, will be

placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

7. No tender of money, Sub-Treasurer's Receipts, or Public Securities on account of Opium upon which the prescribed deposit may not have been made before 4 o'clock of the 14th January will be afterwards accepted.

8. The Opium now advertized for sale shall be paid for within 15 clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 24th January 1860, and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or chests shall be forfeited, and the Opium be disposed of on account of Government, at such time and in such manner as the Board of Revenue shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out certificates or orders for the delivery of Opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each certificate or order, and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

10. No Sub-Treasurer's Receipts, or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchasers, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities equal to 25 per Cent., even money of the amount so bid, or to Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually, until a bid is obtained, and the first *bona fide* bidder for a lot after it has been offered for sale in the mode here described, shall be held and declared to be

the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the 2nd Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same conditions, any number of lots of the same Agency Opium to the extent of twenty-five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the Jurisdiction of the said Supreme Court shall be waived.

15. The following papers together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue.

No. 1, Certificate of the Opium now advertized for Sale.

No. 2, Report of the examination of such Opium.

16. The public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1858-59, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, *viz.*, two of the season's provisions under Sale, and two of the previous season will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug was kept.

17. Any further information respecting weight or quality of the Opium advertized for Sale that may be desired by parties, connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances, the Board will entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, obstruction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the Sale and delivery of Opium for shipment.

18. The public are hereby informed that in addition to the quantity above mentioned for sale in January, the following quantities more or less of Behar and Benares Opium of 1858-59 will be brought to sale in the year 1860, on or about the dates specified below. GOVERNOR GENERAL'S CAMP, AGRA,
Friday, the 2nd December 1859.

Notification.—On Tuesday, the 29th November, His Excellency the Viceroy and Governor General held a Durbar for the private reception of the Princes and Chiefs of Central India and Rajpootana.

The under-mentioned Princes and Chiefs had audiences of His Excellency :—

The Maharaja Sindhia of Gwalior.
The Maharaja of Jyepoor.
The Maharaja of Kerowly.
The Maha Rao Raja of Ulwur.
The Nawab of Tonk.
The Maharaja of Dholpoor.
The Nawab of Jowra.
The Maharaja of Bhudawur.
The Jageerdar of Jussoo.

Each Chief was accompanied by a few of his nearest relations and of his Principal Officers of State.

On arrival and departure, the Maharaja Sindhia received a salute of 19 Guns ; the Maharajas Jyepoor and Kerowly each a salute of 17 Guns ; the Maha Rao Raja of Ulwar, the Nawab of Tonk and the Maharaja of Dholpoor, each a salute of 15 Guns ; and the Nawab of Jowra a salute of 13 Guns.

On Wednesday, the 30th November, the above-mentioned Princes and Chiefs, with their Attendants, the Principal Native Residents of the Agra Division of the North-West Provinces, and the Civil and Military Officers of Agra and the adjoining Districts were received by the Viceroy and Governor General in open Darbar.

When all were assembled the Viceroy and Governor General, accompanied by His Excellency the Commander-in-Chief, entered and took his seat under a Royal Salute.

The Maharaja Sindhia of Gwalior sat on the right hand of the Viceroy and Governor General and the Maharaja of Jyepoor on His Excellency's left hand.

Suitable khillats were bestowed on all the Native Princes, Chiefs and Gentlemen present, and the following rewards were given for loyalty to the British Government and good services during the rebellion :—

To the Maharaja Sindhia increase of Territory and exemption for some of the obligations imposed on the Gwalior State by the Treaty of 1844.

In conferring these rewards upon the Maharaja, the Viceroy and Governor General addressed His Highness in the following words—

“ MAHARAJA OF GWALIOR.

“ It is with no ordinary pleasure that I receive your Highness in this assembly in the presence of His Excellency the Commander-in-Chief and of many distinguished Officers of the Armies of India, of many high Officers of the Civil Service and other English Gentlemen, and before many loyal native subjects of the Queen.”

“ I am glad to receive your Highness at Agra. It was from Agra that a few days after the outbreak of rebellion, I received the news of your prompt and loyal tender to the Lieutenant-Governor, the lamented Mr. Colvin, of the services of the most trustworthy of your own personal guard.”

“ It was from Agra that twelve months later, when the brunt of the rebellion had fallen at last upon Gwalior, a great part of that Army marched, which under Sir H. Rose drove back your enemies and re-seated you within twenty days in the palace of your Capital.”

“ These were the opening and closing scenes of the rebellion in the neighbourhood of this City. During the intervening year and since that time you have earnestly supported the British Government with your whole strength, and in every

thing have shown yourself mindful of the ties which bind you to it.”

“ As the head of that Government I thank you heartily.”

“ I now make known to your Highness that in remembrance of the services which you have rendered, and to increase your authority and dignity, land to the annual value of three lacs will be added to your Territory ; that the limitation now imposed upon the number of your Infantry Troops will be enlarged ; that the arrears due from your Government on account of the Assigned Districts are remitted ; and that henceforward no payment will be claimed from your Highness' Government when the proceeds of those Districts fall short of the sum stipulated by the Treaty of Gwalior.”

“ I have already told your Highness, that if unhappily lineal heirs shall fail you, the Government will see with pleasure your adoption of a successor according to the rules and traditions of your Family. Your Highness and all your Highness' subjects may be sure that it is the earnest desire of the Paramount Power that the loyal and princely house of Sindhia shall be perpetuated and flourish.”

“ I expect, and I am sure that I shall not be disappointed in the expectation that your Highness will continue to apply all the energies of your Government, Civil and Military, to enforcing peace, and giving contentment in the country under your rule.”

To the Maharaja of Jyepoor, the Pergunnah of Kote-Kassim was given.

His Excellency announced this gift to the Maharaja in the following terms :—

“ MAHARAJA OF JYEPPOOR.

“ The presence at this Darbar of yourself, a Prince sprung from the oldest and noblest families of Rajpootana, and a faithful and zealous feudatory of the British Crown is very gratifying to me.”

“ The Territory of Jyepoor was less continuously harassed by the rebellion than many others, but occasions were not wanting to you in which to show your signal loyalty.”

“ When the rebel force approached your Capital and called upon you to surrender the British Officers in it, your answer was “ come and take them.”

“ When the Political Agent was absent on distant duties, you gave a careful and considerate protection to his family.”

“ When opportunity offered, you sent in safety to this City of Agra, under an escort of your own, fifty Christian lives.”

“ You have done all in your power to aid the British Troops by keeping open the communications through your Country.”

“ In recognition of these services I desire your acceptance of the Pergunnah of Kote-Kassim, as an addition to your Territory. It was lately an appanage of the King of Delhi, by whose treason and rebellion against the British power it has been forfeited. In adding it to your possessions, I feel certain that I place it for ever in loyal hands.”

“ I desire to take this opportunity of thanking your Highness and the Jyepoor Darbar for the faithful performance of its promises, and of the wishes of the British Government in steadily suppressing Suttees within your Territory, and in allowing no abuse of the right of Sanctuary by murderers and robbers.”

To the Maharaja of Kerowly a khillut of the value of twenty thousand Rupees and remission of debts due to the British Government.

The Viceroy and Governor General in conferring these rewards upon the Maharaja, publicly thanked his Highness for the steady and active loyalty he evinced throughout the rebellion, especially in issuing a Proclamation soon after the first disturbances broke out, declaring his own intention to adhere to the cause of the British Government, and calling upon his subjects to support him, in sending Troops to assist in preserving order in British Territory, and afterwards in rendering assistance to the Chief of Kotah at a critical juncture.

To the Maha Rao Raja of Ulwur a khillut of the value of twenty thousand Rupees.

After investiture, the Viceroy and Governor General addressed the Maha Rao Raja in the following words :—

“ MAHA RAO RAJA OF ULWUR.

“ You are welcome to this Durbar for your Father's sake. There was no better ruler, and no more faithful feudatory of the Queen in Rajpootana than Bunnee Sing. In his last illness he sent his best Troops to the support of the British Government, and many of them were killed in the discharge of that duty at no great distance from this city.”

“ I regret to think that he did not live to see their death avenged.”

“ Maha Rao, you are very young to be left alone, as the successor to the Ruler of an ancient State.”

“ I know that you have had bad advisers, and that you have been misled by them. But these men have been removed from you, and I now enjoin you to use the time which must elapse before you can begin to govern so as to show by your conduct that the Governor General of India need not hesitate to recognize and support your authority when that time arrives.”

“ Walk in your father's footsteps, and you will be sure of that support.”

“ Guide yourself by the advice of the Governor General's Agent, Major Eden, and of the Political Agent, and receive the counsel which I have given to you in the friendly spirit in which it is spoken.”

“ The Guns of your father's force which were lost shall be returned to the Ulwur State if possible ; if not, I will send others.”

To the Nawab of Tonk, a khillut of the value of twenty thousand Rupees.

On investing the Nawab, the Viceroy and Governor General thanked His Highness for the aid he afforded to the British Government throughout the rebellion, and for his stout defence of the Fort and Town of Tonk against the rebel army under Tantia Topee. His Excellency also assured the Nawab, that the Pergunnah of Nimbera which passed during the disturbances into the hands of the Oodeypore State would shortly be restored to him.

To the Nawab of Jowra, a khillut of the value of twenty thousand Rupees, an increase in his salute to 13 Guns and a remission of a part of His Highness' contribution towards the expense of the Malwa Contingent.

The Viceroy and Governor General thanked the Nawab for his steady attachment to the British Government, and for the exercise of his influence in supporting its authority in Malwa.

On investing the Maharaja of Dholpoor, with his dress of honor, the Viceroy and Governor

General thanked him for the services he had rendered at the commencement of the rebellion in saving the lives of Christian subjects of the Queen, and for his personal loyalty to the British Government on all occasions, but His Excellency exhorted the Maharaja to enforce his orders on the Officers of his Durbar, and not to allow Dholpoor to become an asylum for criminals accused of committing heinous crimes in British Territory.

Rewards were also conferred by His Excellency on the Principal Sirdars and Ministers of the Native States who were most forward in carrying out the orders of their several Chiefs for the support of the Queen's Troops, and the maintenance of British authority.

Produce of Behar Agency	...	Chests	1,270
Ditto of Benares ditto	...	"	510
Total Chests			1,780

Conditions of Sale.

1. The Opium will be sold for exportation by Sea only, and no Certificate will be granted, except to cover such export.

2. The Opium will be ordinarily offered for sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12 of the Conditions of Sale.

3. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertised for sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of, or if the quantity of 1,780 Chests shall not be sold on the day advertised, the Board may dispose of the lots which remain on hand at a future Sale.

4. Each lot to contain Five Chests.

5. A deposit in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1,000 at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Saturday, the 14th January, or on the other hand failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such Conditions of re-sale as the Board of Revenue shall see fit, and all losses and expenses, whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 14th January, will be

placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

7. No tender of money, Sub-Treasurer's Receipts, or Public Securities on account of Opium upon which the prescribed deposit may not have been made before 4 o'clock of the 14th January will be afterwards accepted.

8. The Opium now advertized for sale shall be paid for within 15 clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 24th January 1860, and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or chests shall be forfeited, and the Opium be disposed of on account of Government, at such time and in such manner as the Board of Revenue shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out certificates or orders for the delivery of Opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each certificate or order, and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

10. No Sub-Treasurer's Receipts, or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchasers, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities equal to 25 per Cent., even money of the amount so bid, or to Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually, until a bid is obtained, and the first *bona fide* bidder for a lot after it has been offered for sale in the mode here described, shall be held and declared to be

the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the 2nd Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same conditions, any number of lots of the same Agency Opium to the extent of twenty-five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the Jurisdiction of the said Supreme Court shall be waived.

15. The following papers together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue.

No. 1, Certificate of the Opium now advertized for Sale.

No. 2, Report of the examination of such Opium.

16. The public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1858-59, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, *viz.*, two of the season's provisions under Sale, and two of the previous season will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug was kept.

17. Any further information respecting weight or quality of the Opium advertized for Sale that may be desired by parties, connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances, the Board will entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, obstruction of Opium, or adulteration of the drug which may be preferred on reference to Chests after the Sale and delivery of Opium for shipment.

18. The public are hereby informed that in addition to the quantity above mentioned for sale in January, the following quantities more or less of Behar and Benares Opium of 1858-59 will be brought to sale in the year 1860, on or about the dates specified below. I. For the better regulation of discipline and the maintenance of good order in the Battalions of Military Police entertained under the Lieutenant-Governors of Bengal and the North-Western Provinces, all Native Officers, Non-Commissioned Officers, and Privates attached to or serving with those Battalions, shall be subject to the provisions of this Act, and on the commission of any of the offences enumerated in the Table annexed to this Act, to be tried as hereinafter directed. Provided that if any Battalion or part thereof, in time of war or when employed against any persons in arms hostile to the Government,

shall be placed under the orders of any Officer Commanding the Military Forces of the Government, it shall be competent to this Officer to direct all persons attached to the Battalion of Military Police to be held amenable to any Articles of War that shall be in force among the Troops under his command so far as the same shall be applicable.

II. The cognizance of the commission of any of the offences enumerated in the Table annexed to this Act which shall be charged against any Officer, Non-Commissioned Officer, or Private of a Battalion of Military Police, is vested in the Commanding Officer of each Battalion who, if he find sufficient grounds for a trial, shall try the offender as provided in this Act.

III. When in any case a Magistrate is certified that an offence committed by an Officer, Non-Commissioned Officer, or Private of a Police Battalion is under trial by a Commanding Officer empowered under this Act to try the same, he shall stay his own proceedings.

IV. When a Commanding Officer finds ground for the trial or investigation of any offence, he may direct the person charged, if an Officer or Non-Commissioned Officer, to be placed under arrest; if a Private to be placed in confinement.

XIV. When a Commanding Officer shall convict a Non-Commissioned Officer or a Private of any of the offences enumerated in the annexed Table, he may order the offender to be dismissed in lieu of or in addition to the sentence which he may inflict.

Notification.—The services of Sergeant Major O'Neil, of the late 52nd Native Infantry, and

placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

7. No tender of money, Sub-Treasurer's Receipts, or Public Securities on account of Opium upon which the prescribed deposit may not have been made before 4 o'clock of the 14th January will be afterwards accepted.

8. The Opium now advertized for sale shall be paid for within 15 clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 p. m. of Tuesday, the 24th January 1860, and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or chests shall be forfeited, and the Opium be disposed of on account of Government, at such time and in such manner as the Board of Revenue shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out certificates or orders for the delivery of Opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each certificate or order, and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

10. No Sub-Treasurer's Receipts, or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchasers, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities equal to 25 per Cent., even money of the amount so bid, or to Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually, until a bid is obtained, and the first *bona fide* bidder for a lot after it has been offered for sale in the mode here described, shall be held and declared to be

the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the 2nd Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same conditions, any number of lots of the same Agency Opium to the extent of twenty-five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the Jurisdiction of the said Supreme Court shall be waived.

No. 1, Certificate of the Opium now advertized for Sale.

No. 2, Report of the examination of such Opium.

16. The public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1858-59, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, *viz.*, two of the season's provisions under Sale, and two of the previous season will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug was kept.

17. Any further information respecting weight or quality of the Opium advertized for Sale that may be desired by parties, connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances, the Board will entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, obstruction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the Sale and delivery of Opium for shipment.

VI. It shall be at the discretion of the Collectors of Sea Customs for the Ports appointed for shipping Native Passengers, or such other persons as the local Government may from time to time appoint for the purpose, to grant licenses to Vessels under this Act. Provided that such licenses shall not be granted, except for Vessels within the exceptions in Section II, till the Vessels have been surveyed according to such directions as shall be given from time to time by the local Government. IX. The Master or Tindal of any Vessel licensed to carry Passengers from any Port under the Government of Port St. George to Ceylon, or between Chittagong and any Port or place on the Coast of Arracan who shall proceed on any such voyage without having laid in a supply of water and provisions for the Passengers according to a scale to be fixed by the Collector of Sea Customs for such Port, or such other person as the local Government may from time to time appoint for the purpose, which shall be hung up at the Custom House of the Port, shall be liable to a fine not exceeding one hundred Rupees.

XII. The principal Officer in charge of the Customs at the Port of embarkation or of destination, or any person authorized by him, shall be at liberty at all times to enter and inspect any Passenger Vessel, and the fittings, provisions, and stores therein; and whoever impedes such entry or inspection, or refuses to allow of the same, shall be liable to a fine not exceeding fifty Rupees.

XIII. If any Native Passenger in any Ship shall be landed at any Port or place other than the Port or place at which he may have contracted to land, unless with his previous consent, or unless such landing is made necessary by perils of the sea or other unavoidable accident, the Master shall for each offence be liable to a penalty not exceeding two hundred Rupees.

XIV. Nothing in this Act contained shall take away or abridge any right of action which may accrue to any Native Passenger, or to any other person, in respect of the breach or non-performance of any contract made with the Master or Owner of the Ship or his Agent.

XV. All offences against this Act shall be punishable in a summary manner by a Magistrate. If the person directed to pay any penalty is the Master or Tindal of a Ship, and the same is not paid at the time and in the manner prescribed by the order of payment, the Magistrate may, in addition to the means prescribed by law for enforcing payment, direct by warrant the amount remaining unpaid to be levied by distress and sale of the said Ship, her tackle, furniture, and apparel.

XVI. For the purpose of the adjudication of penalties under this Act, any offence shall be deemed to have been committed within the limits of the jurisdiction of the Magistrate of the place where the offender is found.

XVII. Any Magistrate imposing any penalties under this Act may, if he thinks fit, direct the whole or any part thereof to be applied in compensating any person for any wrong or damage which he may have sustained by the act or default in respect of which such penalty is imposed, or in or towards payment of the expenses of the proceedings.

XVIII. The word "Magistrate" in this Act shall include a Magistrate of Police appointed under Act XXI of 1856, a Joint Magistrate, and any person lawfully exercising the powers of a Magistrate, and a Justice of the Peace.

THE 24TH DECEMBER 1859.

THE following Bill was read a second time in the Legislative Council of India on the 24th December 1859, and was referred to a Select Committee who are to report thereon after the 28th of February next:—

A Bill to provide for the good order and discipline of the Battalions of Military Police.

WHEREAS it is expedient to provide for good order and discipline in the Battalions of Military Police entertained under the Governments of Bengal and of the North-Western Provinces; It is enacted as follows:—

I. For the better regulation of discipline and the maintenance of good order in the Battalions of Military Police entertained under the Lieutenant-Governors of Bengal and the North-Western Provinces, all Native Officers, Non-Commissioned Officers, and Privates attached to or serving with those Battalions, shall be subject to the provisions of this Act, and on the commission of any of the offences enumerated in the Table annexed to this Act, to be tried as hereinafter directed. Provided that if any Battalion or part thereof, in time of war or when employed against any persons in arms hostile to the Government,

shall be placed under the orders of any Officer Commanding the Military Forces of the Government, it shall be competent to this Officer to direct all persons attached to the Battalion of Military Police to be held amenable to any Articles of War that shall be in force among the Troops under his command so far as the same shall be applicable.

II. The cognizance of the commission of any of the offences enumerated in the Table annexed to this Act which shall be charged against any Officer, Non-Commissioned Officer, or Private of a Battalion of Military Police, is vested in the Commanding Officer of each Battalion who, if he find sufficient grounds for a trial, shall try the offender as provided in this Act.

III. All Officers, Non-Commissioned Officers, and Privates of Police Battalions shall be amenable to the ordinary Courts of Criminal Jurisdiction of Magistrates with respect to any offence of which a Magistrate may take cognizance; and it shall be competent to the Commanding Officer of a Police Battalion in any case which he may try under this Act and which is also triable by a Magistrate, instead of trying the offender, to report the circumstances for the information of the Magistrate having jurisdiction in the matter. When in any case a Magistrate is certified that an offence committed by an Officer, Non-Commissioned Officer, or Private of a Police Battalion is under trial by a Commanding Officer empowered under this Act to try the same, he shall stay his own proceedings.

IV. When a Commanding Officer finds ground for the trial or investigation of any offence, he may direct the arrest or confinement of persons charged, if an Officer or Non-Commissioned Officer, to be placed under arrest; if a Private to be placed in confinement.

V. The depositions of prosecutors and witnesses and the statements of offenders shall be taken down in the Vernacular language of the parties under examination, but it shall be competent to the Lieutenant-Governors of Bengal and of the North-Western Provinces, with respect to any of the offences enumerated in the annexed Table, to direct the Presiding Officer to record the depositions of witnesses by way of running narrative in his own hand-writing and in his own language and to dispense with a Vernacular record of the evidence in such cases.

VI. If any person not amenable to this Act when duly summoned to appear as a witness shall not appear: or appearing shall refuse to give his evidence, the default or recusancy, as it may be notified to the Magistrate having jurisdiction in the place where the trial is held under this Act, and the Magistrate shall be competent to deal with the case as if the default or

recusancy had occurred in any matter pending before himself.

VII. When a Commanding Officer shall be of opinion that any Officer, Non-Commissioned Officer, or Private charged with the commission of any of the offences enumerated in Article I of the annexed Table is guilty, and that a sentence of two years' imprisonment with or without labor, and in the case of Non-Commissioned Officers or Privates with or without stripes, is inadequate to the offence, he shall commit the prisoner for trial before the Sessions Judge of any District in which the investigation may have been held, and the Sessions Judge shall try the prisoner as in ordinary cases provided. If the Sessions Judge convict the prisoner, he shall pronounce such sentence as he may think fit: but no sentence of death shall be carried into effect without the proceedings being referred for the revision of the Sudder Court, and the Sudder Court shall confirm or mitigate the sentence or acquit the prisoner as it may deem fitting.

VIII. When a Commanding Officer shall acquit the person tried, the order of acquittal shall be final; but it shall be competent to the Inspector of Military Police in Bengal or the Commissioner of Military Police in the North-Western Provinces, under such limitation and control as the Lieutenant-Governors of those Provinces may impose, on a review of the proceedings held by a Commanding Officer in any case, to direct the dismissal of the Officer, Non-Commissioned Officer, or Private under trial.

IX. When a Commanding Officer shall convict a person under trial, he shall pronounce such sentence as he may consider adequate to the offence committed, within the limits of the punishments prescribed in the annexed Table: but whenever the sentence pronounced shall in the case of Officers exceed simple imprisonment for or the forfeiture of pay for one month in the whole; or, in the case of Non-Commissioned Officers or Privates shall exceed six months' imprisonment with labor or with fifty stripes—the trial shall be referred for the confirmation of the Inspector or Commissioner as aforesaid; and it shall be competent to the Inspector or the Commissioner in any such case to confirm or mitigate the sentence imposed or to acquit the prisoner.

X. In any case not referred by a Commanding Officer, it shall be competent to the Inspector or Commissioner as aforesaid to call for the proceedings and to confirm or mitigate the sentence pronounced or discharge the prisoner.

XI. No Officer, Non-Commissioned Officer, or Private shall be dismissed except with the sanction of the Inspector or the Commissioner of Military Police, and in the case of an Officer except with the sanction of the local Government.

XII. When a Commanding Officer shall sentence a Non-Commissioned Officer to corporal punishment, he shall at the same time order him to be reduced to the ranks, unless the sentence include dismissal.

XIII. When a Commanding Officer shall convict any Non-Commissioned Officer of any of the offences enumerated in the annexed Table, it shall be competent to him to reduce the offender to a lower grade or to the ranks, in lieu of or in addition to the punishment which he may inflict; but whenever the sentence is required to be confirmed by the Inspector or Commissioner aforesaid, the order for the reduction of the prisoner shall be subject to the same confirmation.

XIV. When a Commanding Officer shall convict a Non-Commissioned Officer or a Private of any of the offences enumerated in the annexed Table, he may order the offender to be dismissed in lieu of or in addition to the sentence which he may inflict.

XV. When any Officer, Non-Commissioned Officer, or Private shall be dismissed, he shall forfeit all claim to pension.

XVI. MILITARY.

INDIA OFFICE,

No. 380.

London, 27th October 1859.

HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

MY LORD,

Military Letter No. 83, dated 17th June 1859.

Refers certain questions regarding the rules under which Lieutenant-Colonels of Her Majesty's Indian Forces are entitled to promotion to the rank of Colonel, under the Royal Warrant of 31st January 1859.

AFTER communication with His Royal Highness the General Commanding in Chief, I have to intimate the decision of Her Majesty's Government in the several points referred to in your Despatch No. 83, of the 17th June 1859, as follows:—

1. The Office of Deputy Secretary to Government, Military Department in Bengal, Madras, and Bombay may be added to those enumerated in the 8th Clause of the Royal Warrant of 31st January 1859, as entitling the incumbent, if otherwise qualified, to promotion after five years to the rank of Colonel.

2. The Command of Local or Irregular Regiments, under the orders of the Commander-in-Chief, will be considered as qualifying for promotion to the rank of Colonel, under the provisions of Clause 8 of the Royal Warrant.

3. The rule in Clause 17 of the Royal Warrant which directs "that the Commands of General Officers, and other situations on the Staff, shall not be held for more than five years, unless "by re-appointment under special circumstances" is intended to apply to all appointments on the General Staff of the Army, but not to Officers on the Civil Staff Department connected with the Army, or to Civil or Political situations.

I have, &c.,

Camp Meerut, the 20th December 1859.

No. 52 of 1859.—His Excellency the Governor General issues this Notification for the information of the Bengal Native Army.

2. It is likely that an Army will shortly be required from India for the Queen's Service in China.

3. This Army will be composed partly of European and partly of Native Troops.

4. The European portion of it will consist of Seven Regiments of Infantry (in addition to the Two Regiments recently sent to China,) and some Cavalry; but respecting this portion of the Force, His Excellency the Commander-in-Chief will in due time issue the necessary directions.

5. The Native portion of the Army will consist, in the first instance, of Five Battalions of Infantry, of which Four will be selected from such Punjabee Regiments as may volunteer for the service, and one from the Hindostanee Regiments which may volunteer. Some Irregular Cavalry will also be sent.

6. The strength of the Battalions will be 800 Privates each, with the due proportion of Native Commissioned and Non-Commissioned Officers, in eight Companies.

7. Each man, whether belonging to a Regiment volunteering collectively, or coming forward separately, will be required to sign or seal a paper declaring himself to be a Volunteer. This precaution for securing individual willingness will be taken after the offer of a Regiment, or of any man belonging to it shall have been accepted by the Governor General.

8. The period for which Volunteers are now required is two years. If it should happen that the service in China extends beyond two years, any man who may wish to be relieved at the end of that term will be relieved.

9. Depôts will be formed in India of Regiments volunteering; to which men who do not proceed on Foreign Service will be attached; and the property left behind by the men, and any of their families, will be carefully looked after at these Depôts.

10. The Native Volunteer Battalions proceeding to China, will enjoy the established privileges of Foreign Service, *viz*:—

I.—The privilege of granting Family Money Certificates.

III.—Pay and Full Batta in addition to free Rations. The Full Batta will be drawn from the date on which each man's offer of service is accepted.

IV.—Rations, gratis, on boardship, and on shore while on Foreign Service and until re-landed in Bengal. The Commissariat Department will

issue the Rations, of which the cost will be defrayed by Government.

VII.—After return of a Regiment from Foreign Service, if in time of peace, a quadruple proportion of Native Officers and Men will be entitled to Furlough, for periods proportioned to the distances of their homes and with the privilege of Half Batta during such Furlough.

11. The Native Force will be armed with the smooth bore Musket, such as is used by the Regiments of Bengal and Madras Native Infantry now serving in China; and in order that uniformity of Ammunition may be preserved throughout the entire Native Force in that Country, Corps now armed with Rifles will, before embarkation, have them exchanged for the smooth bore Musket.

12. Each Volunteer Regiment will have the following complement of European Officers:—

A Commandant.

A Second in Command.

An Adjutant.

An Interpreter and Quarter-Master.

Conditions of Sale.

1. The Opium will be sold for exportation by Sea only, and no Certificate will be granted, except to cover such export.

2. The Opium will be ordinarily offered for sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12 of the Conditions of Sale.

3. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertised for sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of, or if the quantity of 1,780 Chests shall not be sold on the day advertised, the Board may dispose of the lots which remain on hand at a future Sale.

4. Each lot to contain Five Chests.

5. A deposit in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1,000 at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Saturday, the 14th January, or on the other hand failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such Conditions of re-sale as the Board of Revenue shall see fit, and all losses and expenses, whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 14th January, will be

placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities equal to 25 per Cent., even money of the amount so bid, or to Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually, until a bid is obtained, and the first *bond fide* bidder for a lot after it has been offered for sale in the mode here described, shall be held and declared to be

the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the 2nd Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same conditions, any number of lots of the same Agency Opium to the extent of twenty-five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the Jurisdiction of the said Supreme Court shall be waived.

No. 2, Report of the examination of such Opium.

16. The public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1858-59, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, *viz.*, two of the season's provisions under Sale, and two of the previous season will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug was kept.

17. Any further information respecting weight or quality of the Opium advertized for Sale that may be desired by parties, connected with the trade, will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances, the Board will entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, obstruction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the Sale and delivery of Opium for shipment.

RESOLUTION.—The Hon'ble the President in Council is pleased to direct that paragraphs 1 to 9 of

the above-mentioned Despatch from Her Majesty's Secretary of State for India be published in the *Official Gazette* of Calcutta, the North-Western Provinces and the Punjab, for general information.

2. The Governments of Bengal, the North-Western Provinces and the Punjab, the Chief Commissioner of Oude, and the Governor-General's Agents in Rajpootana and Central India will appoint one or more well qualified Officers,

as noted in the margin, under the designation of *Compensation Commissioner*, for the purpose of conducting such further

1. I have received and considered in Council your Despatches in this Department, dated the 23rd April last, Nos. 58 and 59, together with the papers which accompanied them, on the subject of the claims preferred to Compensation for losses of Property and Effects sustained during the recent Mutiny.

2. In Lord Stanley's Financial Despatch, dated the 28th October last, No. 17, noticing a Memorial from certain sufferers by the Mutiny, it was observed that the appointment of a Committee of investigation was in itself evidence of an intention to entertain claims to Compensation, so far as might be consistent with the interests of the State. It is not therefore necessary to discuss the question of granting some Compensation to those who have sustained losses, nor are Her Majesty's Government disposed to make any distinction between losses sustained by Europeans, whether servants of the State or otherwise, and by Natives of India whose active loyalty during the disturbances can be clearly established.

3. Her Majesty's Government cannot admit that there is any ground for the claims put forward by firms or individuals for losses of profits which, but for the Mutiny, might have been realized, or by Insurance Offices for loss of Premiums through the death of persons whose lives had been assured.

4. The total amount of claims for loss during the Indian Mutiny, in support of which, so far as can be ascertained from the papers forwarded by you, *prima facie* evidence has been laid before the Commissioners, is Rs. 2,07,83,214, while further claims amounting to Rs. 32,67,763 are doubtful or require the production of further evidence. Of the former amount the sum of Rs. 8,25,493 represents the value of Plate, Jewellery, &c. The claims of Insurance Companies on account of loss of lives assured by them amount to Rs. 4,13,821 independently of the further claims on the same account which were forwarded with your letter No. 59.

5. After full consideration of the subject, Her Majesty's Government are of opinion that in granting Compensation a distinction should be made between losses on Buildings, Factories or Crops; and losses of Cash, Jewels and Articles of personalty. They have accordingly determined, that in regard to the former, when the amount of the admitted loss shall not exceed Rs. 2,000, Compensation to the extent of one-half shall be awarded, and in cases where the admitted loss shall exceed Rs. 2,000, Compensation shall be awarded to the extent of Rs. 1,000, and one-third of the sum by which the loss shall exceed Rs. 2,000. In regard to Cash, Jewels and Articles of personalty, they consider it proper to limit the Compensation to one-third of the admitted loss, in no one case granting a larger amount than Rs. 5,000.

6. It remains to decide in what way the amount required to meet the claims shall be provided, and when and in what form it shall be disbursed.

7. Her Majesty's Government agree with your Lordship that it would not be advisable that fines should be imposed on the rebellious Districts for the purpose of providing the necessary funds for this object.

8. In the present condition of the Finances of India, any additional charge upon the Revenues is necessarily most inconvenient, and Her Majesty's Government are of opinion that the amount to be granted must be limited by that consideration. They are anxious to meet as promptly as may be practicable the claims of the numerous sufferers, and they have therefore decided that the Compensation awarded shall be paid out of the General Revenue of the State, and be disbursed in cash in India at the earliest practicable period.

9. According to the information at present before me, and as far as I am able to form an estimate from the Statements forwarded, the amount which will have to be provided as Compensation, under the principle laid down in this Despatch, will not exceed Rupees 80,00,000; but Her Majesty's Government desire that it should be distinctly understood, that whatever may be the amount of losses substantiated, no larger sum than Rupees 1,00,00,000 can be granted for payment of Compensation, and that in the event of this sum being insufficient to satisfy the claims established on the foregoing principles, a *pro rata* reduction must be made. I shall be prepared to remit to you the requisite sum in the course of the ensuing winter.

could not have been prevented by the exercise of common prudence on the part of those who sustained them.

6. As regards the claims of Natives whose active loyalty during the Mutiny has not already been clearly established, full proof of the same shall be required by the Compensation Commissioners before an award is given in their favor.

7. Losses of Merchandize and Stock in Trade will be classed with losses on Buildings, Factories and Crops.

8. In cases in which grants of money may have been made under the Rules of the 13th November 1857, (amended on the 21st July 1858) for the grant of assistance to sufferers in consequence of the Mutinies, the sums so granted will be taken into consideration in determining the amount of Compensation to be awarded under this Resolution.

9. When the enquiries of the Compensation Commissioners have been completed, an Abstract Statement of the results, showing the amount of claim made good in each case, will be forwarded to this Department, when it will be determined, on an inspection of the whole of the Abstract Statements, whether the full proportion of the claims that may have been established on the principles laid down in the Despatch of Her Majesty's Secretary of State can be paid; or whether a *pro rata* reduction must be made.

10. Inquiries into claims will ordinarily be made by the Commissioners themselves, but if in any case it should appear to them to be advisable that a local investigation should be instituted, they will be at liberty to cause such local investigation to be made through the Collector of the District, or other Officer exercising the functions of a Collector, on the distinct understanding that the results of such investigation must be reported to the Compensation Commissioners in time to enable them to complete their enquiries within the period mentioned in paragraph 3 of this Resolution.

11. The date for the payment of the Compensations which may be determined on will be fixed on the receipt of the Abstract Statements above alluded to, and will not, it is fully expected, be later than two months from the date appointed for the closing of the investigations.

12. Where two or more Compensation Commissioners are appointed, it will be understood that they should act independently of each other and at different places, and not that they should form one united Commission.

No. 125.

Camp La Martiniere, Lucknow,

Wednesday, the 26th October 1859.

Notifications.—His Excellency the Viceroy and Governor General to-day held a Durbar for the reception of the Talookdars of Oudh and the Chief Native Gentlemen of the City of Lucknow, and for the distribution of rewards of every rank who rendered good service to the Government during the rebellion.

First, His Excellency gave a private audience to each of the nine principal Talookdars of the Province who protected and saved the lives of Europeans and other Christian subjects of the Queen at the commencement of the rebellion. These are the following:—

Maharaja Drig Bijye Singh of Bulrampore.

Maharaja Man Singh of Shahgunge.

Raja Drig Bijye Singh of Morarnow.

Raja Lal Madho Singh of Ghur Amethes.

Raja Hunwunt Singh of Dharapoor and Kala-kunkurr.

Raja Hurdeo Buksh of Katiaree.

Raja Rustum Sah of Dera.

Baboo Ajeet Singh of Tirouba.

Raja Murdun Singh of Burawa.

There were then presented to His Excellency the Native Military Officers present at Lucknow, who distinguished themselves during the rebellion, especially in the defence of the Residency.

The whole of the Talookdars and other principal Native Gentlemen were then received by His Excellency in open Durbar, at which His Excellency the Commander-in-Chief and all the Civil and

Military Officers of the Government and the Staff, the Chief Commissioner of Oudh and all the Civil and Military Officers of the Province at the Station, were present.

On the Viceroy taking his seat a Royal Salute was fired.

The Talookdars and others present at the Durbar were then introduced one by one to His Excellency and offered the usual Nuzzers, which were accepted.

Khilluts, Titles and other rewards in land and money were then conferred on those who by good service during the rebellion, especially by saving the lives of Europeans and rendering assistance to Her Majesty's Troops, had deserved well of the British Government.

The following Titles were conferred by His Excellency :—

On Raja Drig Bijye Singh of Bulrampore and Toolseepoor, the title of Maharaja Bahadoor.

On Raja Man Singh of Shahgunge and Gondah, the title of Maharajah Bahadoor.

On Baboo Roostum Sah of Dera and Amahut, the title of Rajah Bahadoor.

On Lala Goureesunker of Moorawun, the title of Rajah Bahadoor.

On Toola Ram Khyratee, the title of Rai Bahadoor.

The usual complimentary Khilluts were then distributed to the remaining Talookdars and Native Gentlemen attending the Durbar.

After this all those whose services during the rebellion entitled them to reward, but who did not form part of the Durbar, were brought in and presented one by one to his Excellency by whom their several rewards were then and their confirmed.

The Viceroy then addressed the assembly in the following words :—

" TALOOKDARS OF OUDH.—I am glad to find myself in your country and amongst you, and to have this opportunity of speaking to you in the name of the Queen your Sovereign.

" A year has not passed away since this Province was the seat of Anarchy and War. The conduct of its people had been such that the Government was compelled to lay a heavy hand upon it. But peace and order are now restored to every corner of Oudh, and I am come to speak to you not of the past but of the future.

" You have, all of you who are here present, received yesterday the grants of those Estates which the Government has restored to you.

" You will have seen by the terms of those grants that the ancient Talookadaree system of Oudh is revived and perpetuated.

" Be assured that so long as each one of you is a loyal and faithful subject, and a just master, his rights and dignity as a Talookdar will be upheld by me, and by every Representative of your Queen, and that no man shall disturb them.

" You will also have seen by those grants that the same rights are secured on the same conditions to your heirs for ever.

" Let this security be an encouragement to you to spend your care and time and money upon the improvement of your possessions.

" As the Government has been generous to you, so do you be generous to all those who hold under you down to the humblest tiller of the soil. Aid them by advances of money and by other indulgences to increase the productiveness of the land, and set them an example of order and obedience to your Rulers.

" Let the same security in your possessions encourage you to bring up your sons in a manner befitting the position which they will hereafter occupy as the Chiefs of Oudh. Learn yourselves, and teach them to look to the Government as a Father.

" Talookdars ; I trust that there are none amongst you who are so infatuated as to believe that the Government has had designs against your religion. Even if there be any such I will not condescend to repeat the assurances which they have already received on this head. I leave it to time and experience and their own senses to dispel their perverse suspicions. But for their own sakes I warn them not to be led into acts of opposition or distrust towards the Government by the false tales of designing men.

" Lastly, Talookdars, whenever in any matter you have doubts to be resolved or wishes to make known, address yourselves to the Chief Commissioner.

He will tell you the truth in all things. He is the high and trusted Representative of the Government in Oudh, and depend upon it, he will be your best adviser and your truest friend.

" I wish that I could speak to you in your own language. That which I have said will now be interpreted to you, and I enjoin you to bear it in your memories."

This address, translated into Hindoostani, was then read by the Secretary to the Government of India, in the Foreign Department, and, after the usual distribution of Atar and Pāp, the Viceroy left the seat under a Royal Salute, and the assembly broke up.

By order of His Excellency the Viceroy and Governor General.

Letter from the Agent to the Governor-General, Rajpootana States, dated 21st October 1859.

RESOLUTION.—The Hon'ble the President in Council is pleased to direct that paragraphs 1 to 9 of

1. I have received and considered in Council your Despatches in this Department, dated the 23rd April last, Nos. 58 and 59, together with the papers which accompanied them, on the subject of the claims preferred to Compensation for losses of Property and Effects sustained during the recent Mutiny.

2. In Lord Stanley's Financial Despatch, dated the 28th October last, No. 17, noticing a Memorial from certain sufferers by the Mutiny, it was observed that the appointment of a Committee of investigation was in itself evidence of an intention to entertain claims to Compensation, so far as might be consistent with the interests of the State. It is not therefore necessary to discuss the question of granting some Compensation to those who have sustained losses, nor are Her Majesty's Government disposed to make any distinction between losses sustained by Europeans, whether servants of the State or otherwise, and by Natives of India whose active loyalty during the disturbances can be clearly established.

3. Her Majesty's Government cannot admit that there is any ground for the claims put forward by firms or individuals for losses of profits which, but for the

the above-mentioned Despatch from Her Majesty's Secretary of State for India be published in the *Official Gazettes* of Calcutta, the North-Western Provinces and the Punjab, for general information.

2. The Governments of Bengal, the North-Western Provinces and the Punjab, the Chief Commissioner of Oude, and the Governor-General's Agents in Rajpootana and Central India will appoint one

R. J. H. BIRCH, Major-General,
Secy. to the Govt. of India,
With the Governor General.

Military Department.

Fort William, the 1st November 1859.

No. 1481 of 1859.—Surgeon William Brydon, C. B., of the Medical Department, is permitted to retire from the Service on the pension of £300 per annum from this date.

This cancels Government General Order, No. 1480 of 1859.

Mutiny, might have been realized, or by Insurance Offices for loss of Premiums through the death of persons whose lives had been assured.

4. The total amount of claims for loss during the Indian Mutiny, in support of which, so far as can be ascertained from the papers forwarded by you, *prima facie* evidence has been laid before the Commissioners, is Rs. 2,07,83,214, while further claims amounting to Rs. 32,67,783 are doubtful or require the production of further evidence. Of the former amount the sum of Rs. 9,25,493 represents the value of Plate, Jewellery, &c. The claims of Insurance Companies on account of loss of lives assured by them amount to Rs. 4,13,821 independently of the further claims on the same account which were forwarded with your letter No. 59.

5. After full consideration of the subject, Her Majesty's Government are of opinion that in granting Compensation a distinction should be made between losses on Buildings, Factories or Crops; and losses of Cash, Jewels and Articles of personalty. They have accordingly determined, that in regard to the former, when the amount of the admitted loss shall not exceed Rs. 2,000, Compensation to the extent of one-half shall be awarded, and in cases where the admitted loss shall exceed Rs. 2,000, Compensation shall be awarded to the extent of Rs. 1,000, and one-third of the sum by which the loss shall exceed Rs. 2,000. In regard to Cash, Jewels and Articles of personalty, they consider it proper to limit the Compensation to one-third of the admitted loss, in no one case granting a larger amount than Rs. 5,000.

6. It remains to decide in what way the amount required to meet the claims shall be provided, and when and in what form it shall be disbursed.

7. Her Majesty's Government agree with your Lordship that it would not be advisable that fines should be imposed on the rebellious Districts for the purpose of providing the necessary funds for this object.

8. In the present condition of the Finances of India, any additional charge upon the Revenues is necessarily most inconvenient, and Her Majesty's Government are of opinion that the amount to be granted must be limited by that consideration. They are anxious to meet as promptly as may be practicable the claims of the numerous sufferers, and they have therefore decided that the Compensation awarded shall be paid out of the General Revenue of the State, and be disbursed in cash in India at the earliest practicable period.

9. According to the information at present before me, and as far as I am able to form an estimate from the Statements forwarded, the amount which will have to be provided as Compensation, under the principle laid down in this Despatch, will not exceed Rupees 80,00,000; but Her Majesty's Government desire that it should be distinctly understood, that whatever may be the amount of losses substantiated, no larger sum than Rupees 1,00,00,000 can be granted for payment of Compensation, and that in the event of this sum being insufficient to satisfy the claims established on the foregoing principles, a *pro rata* reduction must be made. I shall be prepared to remit to you the requisite sum in the course of the ensuing winter.

could not have been prevented by the exercise of common prudence on the part of those who sustained them.

6. As regards the claims of Natives whose active loyalty during the Mutiny has not already been clearly established, full proof of the same shall be required by the Compensation Commissioners before an award is given in their favor.

7. Losses of Merchandize and Stock in Trade will be classed with losses on Buildings, Factories and Crops.

8. OFFICE OF THE DIRECTOR-GENERAL
OF THE POST OFFICE IN INDIA,
January 1st, 1859.

The following Conditions are to be observed in sending Book-Packets by Post:—

1st.—The Postage must be pre-paid in full, by means of Postage Stamps affixed outside the Packet on its cover.

2nd.—Every Packet must be sent either without a cover, or in a cover open at the ends or sides, so as to admit of the enclosures being removed for examination.

3rd.—The Packet may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment or vellum (to the exclusion, however, of letters whether sealed or open) and the books or other publications, prints, maps, &c., may be either printed, written or plain, or any mixture of the three. Further, all legitimate binding, mounting, or covering of a book, publication, &c., or of a portion thereof, will be allowed, whether such binding, &c. be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books; and in short whatever is necessary for the safe transmission of literary or artistic matter or usually appertains thereto.

4th.—The Packet must not contain any letter, closed or open, or any enclosure sealed or otherwise closed against inspection, nor must there be any letter, or any communication of the nature of a letter, written or printed in any such Packet or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

5th.—No Book-Packet can be received if it exceeds two feet in length, width, or depth.

6th.—Any Packet which shall not be open at the ends or sides, or shall have any letter or any communication of the nature of a letter written or printed in it or upon its cover will be charged with Letter Postage.

7th.—If a Packet be found to contain any letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the letter or enclosure will be taken out and forwarded to the address on the Packet, charged with full Postage as an unpaid letter

together with an additional Book-rate; that is, with the Postage chargeable on a Book weighing not more than half a lb the remainder of the Packet, if duly pre-paid with Stamps, will then be forwarded to its address

8th.—If a Packet be not sufficiently pre-paid with Stamps but nevertheless bear Stamps equal to a single Book-rate, it will be forwarded charged with the deficient Book-Postage together with an additional Book-rate; but any Packet which shall not bear Postage Stamps equal to a single Book-rate will be detained and charged with the Letter Postage.

9th.—No Book-Packet weighing more than three lbs can be sent to or from the East Indies or to New South Wales.

10th.—The Colonial Book-Post extends to those Colonies only which are so marked in the Table of Colonial and Foreign Postage.

11th.—In no case can a Book-Packet be sent to the Colonies (except at the letter rate of Postage,) through a Foreign Country.

SPECIAL Notice is directed to the subjoined Clauses of Rules, the want of attention to which has occasioned the Post Office much inconvenience.

2nd.—A separate instruction will be required for every change of address, and no instruction will be attended to for more than three months after its receipt.

3rd.—Under Section XXIII., of Act XVII. of 1854, Forward Postage will be charged in addition to all other Postage due or paid thereon upon every letter without exception, which may be re-directed in any Post Office. For example, if a letter posted in Calcutta and addressed to Hooghly is, under instructions which may have been received from the addressee, re-directed in the Calcutta Post Office and sent to Barrackpore, Forward Postage will be charged in addition to the Postage which would have been due, had the letter been despatched to Hooghly according to its original address.

4th.—The practice of giving instructions to the Officers of the Post Office to intercept and re-direct letters, not only imposes much labor upon them, but in large Offices seriously retards the delivery and despatch of the Mails. A register of instructions regarding changes of address will be kept in every Post Office, but it must be understood, that it is impossible to guarantee that they shall be attended to, except in the case of letters received for delivery.

THERE is only one delivery of letters at the General Post Office on Sundays, and Banghy Parcels are neither received nor despatched on that day.

LETTERS and Newspapers despatched to and from the United Kingdom by private Vessels are liable to the following rates of Postage which must be pre-paid by Stamps:—

	Rs.	As.	Pie.
Letters not exceeding $\frac{1}{2}$ oz. in weight	...	0	4 0
Ditto exceeding $\frac{1}{2}$ oz. but not exceeding 1 oz.	...	0	8 0

And so on adding 8 annas for each oz. or fraction thereof which includes Inland Postage.

Newspapers not exceeding 4 oz. in weight, 1d. or 9 pie must be pre-paid in cash, and no Inland Postage is required upon such papers.

Parcels conveyed by the above opportunity for the United Kingdom are liable to Letter rates of Postage.

Notice.

THE following Extract of an Order of the Government of India, No. 884, of the 13th July 1855:—
“No Public Officer is authorized to send Covers on the Public Service by Post, without payment of Postage, unless he is at the time on active duty and in charge of the Office by virtue of which the privilege is enjoyed. All letters superscribed as ‘on the Public Service only’ must, even though the Postage thereon be not paid, be received and opened by the Officer to whom they are addressed, but if any such, or partially paid letter so superscribed, and addressed to any Officer except a Secretary to Government be found when opened, to relate to the private affairs of the Sender, the Postage will be debited to him and he will be further liable to be dealt with under Section XLVII., Act No. XVII. of 1854.

His Honor in Council further directs that unpaid or insufficiently paid letters addressed to any such Officer or Department and not superscribed “on the Public Service only” be refused, or if opened that it be at the risk and cost of the opener.”

LETTERS arriving at the Presidency Towns, by Mail Steamers will be immediately sorted for delivery according to the address alone, without any reference to instructions which may have been received regarding change of address; such changes will be left to be discovered by the Delivery Officers, and be corrected in the forward and unclaimed Departments of the Office.

Forward Postage will be charged in addition to all other Postage due or paid thereon, upon every letter, without exception, which may be re-directed in the Post Office.

Letters, &c., received by the Steamer will be delivered at the Window of the Post Office only to parties who have registered their names. Applications to the Post Office on the day of the Steamer's arrival to intercept and re-direct letters, &c., cannot be attended to, as they are found not only to impose much labour but seriously retard the delivery and despatch of the Mails.

ALL Banghy Parcels being registered before despatch it is needless to have a Banghy Parcel specially registered by payment of the Fee of 4 annas as no additional precaution can be taken of a specially Registered Parcel which is not taken in the case of every ordinary Banghy Parcel.

UNDER the orders of Government, no fourth delivery of letters by the Post Office is allowed. Mails which are received by Steamers from Suez at so late an hour in the day as not to admit of the letters being taken out for delivery by 6 P. M. are detained till the following morning, but parties who have registered their names under the usual fee, are entitled to receive their letters and Marseilles Newspapers so soon as the Mails are sorted, and which is generally about 2½ hours after receipt of the Mail, at the Post Office.

THE exemption allowed to Officers with the Army from the charge of Forward Postage on re-directed letters has been continued by the Governor-General "until further orders."

Forward Newspapers.—Extra or Forward Postage is chargeable on every Newspaper re-directed at the Post Office of original address and forwarded to another Post Office.

MAILS for Akyab, Rangoon, and Moulmein are made up on the 3rd and 19th of each month, for transmission by the Contract Steamers or by Government Vessels, which sail on the morning of the 4th and 20th, unless the Contractors choose to postpone the departure for 48 hours, of which they have the power on making a requisition.

their loyalty to the British Government and of the services rendered by them during the rebellion, the Government would in the event of failure to any one of them of direct heirs recognize the privilege of adoption according to the ancient customs of their respective families.

Afterwards, the above-mentioned Chiefs and Jageerdars, and the other Native Chiefs and Gentlemen, together with the principal Civil and Military Officers of the Station, having been assembled in general Durbar, the Viceroy and Governor General, accompanied by His Excellency the Commander-in-Chief, entered and took his seat under a Royal Salute.

The customary Tribute and Offerings having been presented and accepted, Rewards and Khilluts were bestowed on each Native Chief and Gentlemen in succession.

The following rewards were given for loyal services during the rebellion :—

To the Maharaja of Rewah, a Khillut of the value of ten thousand Rupees and the District of Sohagpore to him and his heirs in perpetuity.

To the Maharaja of Benares, a Khillut of the value of ten thousand Rupees, and the honor of an hereditary Salute of 13 Guns.

To the Maharaja of Chirkaree, a Khillut of the value of twenty thousand Rupees, the Pergunnah of Futtehpoor in Shahgurb in perpetuity, and the honor of an hereditary Salute of 11 Guns.

The distinguished services of this Chief, who not only adhered firmly to his alliance with the British Government throughout the rebellion but rendered active assistance to the Queen's Troops, and protected the lives of Her Majesty's Christian subjects at the imminent and unconcealed peril of his own, and to his own great loss were on this occasion publicly acknowledged by the Viceroy and Governor General. His Excellency was pleased to call the notice of the Commander-in-Chief and of the assembly to the signal devotion shown by the Maharaja to the Queen's Government, in his offer to surrender to the Rebels the person of his own son rather than that of a British Agent who was under his protection; and His Excellency enjoined all British Officers who might hereafter enter the territory of the Maharaja to remember these services and to render to His Highness the respect and consideration which he so eminently deserves.

To the Raja of Nagode, lands in the confiscated Estate of Bijoorajgurb, yielding Rupees four thousand a year.

To Raja Deonarain Singh Bahadoor of Benares, the title of Raja Bahadoor, a Khillut of the value of ten thousand Rupees, and a perpetual assignment on the Revenues of the Pergunnah of Syedpoor Bhittree.

To Dewan Sirdar Singh, Jageerdar of Logassi, the title of Rao Bahadoor, a Khillut of the value of ten thousand Rupees, and a Jageer of Rupees two thousand a year.

To Nana Hindooput, Jageerdar of Alipoora, a Khillut of the value of five thousand Rupees.

To Rajdhar Rooder Singh, Jageerdar of Gouri-har, the title of Rao Bahadoor and a Khillut of the value of ten thousand Rupees.

Other minor rewards were given, and those who were not entitled to reward received the usual complimentary Khillut.

After the customary ceremonies, His Excellency the Viceroy and Governor General left his seat under a Royal Salute and the assembly broke up.

This day the Viceroy and Governor General paid a return visit to each of the three principal Chiefs, the Maharajas of Rewah, Benares and Chirkaree, at their respective encampments.

His Excellency was accompanied by the Secretary to the Government of India, and by his Personal Staff, and escorted by a Squadron of H. M.'s 2nd Dragoon Guards, the Body Guard, and the 1st Punjab Irregular Cavalry.

At the Tent of each Chief His Excellency received, on arrival and departure, a Royal Salute. The usual offering was presented and accepted, and after the customary ceremonies His Excellency retired.

By order of His Excellency the Viceroy and Governor General.

Discharge Men of the Local Forces re-enlisting as above, will not be allowed to reckon their former service in the Local Forces.

Time-expired Men of Her Majesty's Regiments serving in India who have taken their discharge, and men who have obtained discharge by indulgence, are invited to re-enlist according to the terms of the Act of Parliament of 1847, for limiting the time of service in the Army, as respects their service, in Her Majesty's Infantry Regiments, or Artillery or Marines, serving in China or proceeding there; and they will, on so re-enlisting, receive a Bounty of Rupees (50) fifty. They will reckon their former service if they claim it on re-enlistment; and each man will receive a fresh Kit.

It is hereby notified for general information, that the rate of Bounty now offered to Time-expired and other discharged men of the Line, is offered to them under the special circumstances of the service in China now about to take place; and that the grant of this rate will not in any way affect the rate issuable to men who may hereafter renew their service under ordinary circumstances in Her Majesty's Army.
